

Mr. GUEST. Mr. Speaker, I have no further speakers. I urge Members to support this bill, and I yield back the balance of my time.

Mr. THOMPSON of Mississippi. Mr. Speaker, I yield myself the balance of my time.

Mr. Speaker, DHS obligated the \$20 billion on goods and services in fiscal year 2020, making it the fourth highest spending civilian agency in the Federal Government.

Congress has a responsibility to ensure that the Department's funds are well spent. Enactment of H.R. 4363 would provide greater transparency into the Department's contract awards and enable better oversight of DHS's spending.

Mr. Speaker, I urge my colleagues to support H.R. 4363, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Mississippi (Mr. THOMPSON) that the House suspend the rules and pass the bill, H.R. 4363, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from the District of Columbia (Ms. NORTON) that the House suspend the rules and pass the bill.

STRENGTHENING MENTAL HEALTH POLICIES ON COLLEGE CAMPUSES

(Ms. PORTER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. PORTER. Mr. Speaker, too often, our country fails to get people the mental healthcare they need. This is true for Americans of all ages, and it is particularly acute for our Nation's college students.

They face the hurdles of corporate greed in our healthcare system and stigma against mental health treatment. But they also run into roadblocks with unhelpful or, at times, actively harmful campus policies.

Policymakers need to give students the tools they need to succeed so they can graduate and become leaders in our communities.

I have written legislation, the Student Mental Health Rights Act, that would strengthen mental health policies on college campuses to better protect young people struggling with mental health challenges.

Students have begun a third school year disrupted by COVID-19. They continue to face the challenges of being physically isolated from their peers and navigating remote or hybrid instruction.

The problem is clear: Protecting students' health is urgent and necessary.

MLB RESOLUTION

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to ask my colleagues to support legislation that I, along with Representative JIM HAGEDORN, are introducing to ask the House of Representatives to denounce Major League Baseball's actions in closing a plant in Caledonia, Minnesota, and moving manufacturing jobs to communist China.

For more than two decades, Miken Sports has been located in the Caledonia community. As an integral small business, Miken employs nearly 150 hardworking Americans. This decision to close the plant and move jobs to China directly defies Major League Baseball's position as America's pastime.

There is nothing American about outsourcing jobs to China, removing income from American workers, and destroying a community's economy. We know that very well in Atlanta, Georgia.

Major League Baseball should be an unquestionable supporter of American jobs. The League's decision to close the plant and move those jobs to China is incredibly disheartening. America's pastime should be supported by American-made products and jobs.

Mr. Speaker, I urge Major League Baseball to live up to its responsibility to the American people by reversing this decision to keep these jobs at home and to purchase American-made products, and I ask my colleagues for their support.

INVESTMENT AND JOBS ACT

(Ms. MANNING asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MANNING. Mr. Speaker, I rise today to express my strong support for the historic bipartisan Investment and Jobs Act. This bill will provide critical funding to rebuild our Nation's physical infrastructure and accelerate our
